Policy of the Borough of Gibbsboro Requiring Surplus Forecasting

JANUARY 6, 2016

Policy Objective: The objective of this policy is to establish guidelines for the management of current account surplus funds to aid in the stabilization of future municipal budgets and tax rates. A secondary goal is to produce increasing surplus balances in future years.

Policy Statement: The CFO and the Council Finance Committee shall maintain year-end surplus balances for the five (5) prior budget years and the major contributing factors to those balances. - Fund Balance
- Tax Collection Rate
- Appropriation Reserves
- Unanticipated Revenues
- Excess Funds from Anticipated Revenues

Each of these entries shall be annotated with any extraordinary events which may have impacted the item.

Use of Data: These data shall be used to assist in the generation of a surplus forecast for the current year and to assist in the preparation of the current year budget and anticipated revenues as well as future impacts. The analyses required by this policy shall be presented to the Borough Council at the time of Budget introduction.
