MAYOR'S REPORT

MAYOR CAMPBELL

Mayor Campbell reported that Councilman Deterding will be assigned some committees. The Council Open Space Committee met and recommended to the Freeholders \$25K for Gibbsboro for Lauer Playground. The Berlin Road bikeway has been ripped up through the wetlands and that was approved by the Open Space Committee. During the 4th of July festivities Mayor Campbell was approached by some American Legion members and they would like to partner with the Borough to do something with the Lauer memorial. The Kolovous agreement is in final form and has been signed. Voorhees was to supply three police officers for the 4th fireworks. The Voorhees Mayor did have three officers for Gibbsboro. The Borough had Voorhees public works support and fire support from Voorhees, Lindenwold and HiNella. Our fire company, police and Wally from our public works did a super job. A lot of people gave up their personal time on the 4th of July to make the event a success. The demolition has started on the Micro Warehouse has begun. Fencing off of United States has been destroyed and vandalized. The Borough Engineer is looking at options. The sewer work on Farwood Road is underway and should be completed by the next council meeting.
