For Insurance, there was nothing to report. Councilman MacFerren reported that for Recreation he is meeting with representatives from playground suppliers to determine what equipment should be purchased with the \$25,000 grant money received from the County for Lauer Park. There was no report for L&I.

NEW BUSINESS:

1. SOLID WASTE AND RECYCLABLE COLLECTION BIDS

Bids received Gold Medal Environmental of NJ, Inc. and Waste Management of NJ, Inc.

See attached recommendation from Engineer Greg Fusco. Mr. Fusco recommends awarding to Gold Medal Environmental of NJ, Inc. for low bid Option #1, 5 years for collection of solid waste for one day per week in the amount of \$311,840 and Option #3 single stream recycling in the amount of \$229,782 for a total of \$541,622.

Two bids were received. The low bid from Gold Medal Environment is pretty consistent with our current contract. Discussion was held whether there should be a second day of trash pick-up on Saturdays of the summer. It was decided that one day of pick-up was sufficient and saves the Borough money as less than 20% of residents may have used the service and no complaints were received when the second pick up day was discontinued.

Mr. Jim Sage of Gold Medal Environmental addressed the council. He gave an overview of his company and experience. Mr. Sage stated that trash collection would start at 7 a.m. on Tuesdays. It is expected that pick-up will take 6 to 6½ hours. Once they have a clear understanding of the tonnage involved, they will try using a split truck to collect solid waste and recycling at the same time expecting that two hauls will be necessary. Gold Medal will help with communicating to the public regarding the split truck concept so that residents do not think that their recycling is being combined with the solid waste. Gold Medal promised a list, in advance, of any collection date changes due to holidays.
