New Pinsetters Arrive at Senior Recreation Center

The week of March 8 saw the installation of new, state of the art, AMF QUBICA pinsetters at the Gibbsboro Bowling Alley in Pole Hill Park. Gibbsboro is the first lane in New Jersey to have this AMF technology. The pinsetters were purchased with funds from the Camden County and Gibbsboro Open Space Trust Funds. The lanes have been resurfaced and are ready for bowlers! The Recreation Center is available for rent by residents for a modest fee. Forms are available at the municipal website.

Gibbsboro Clean-Up Day Set

Gibbsboro's Annual Clean-up Day will take place on Saturday, April 25. Please join in this important "spring cleaning" event and help beautify our community for the outdoor season. We'll gather at the cul-de-sac at the intersection of Berlin Road and Route 561 at time 9:30 a.m. Trash bags will be provided; we suggest that you bring your own work gloves.

ATTENTION RESIDENTS!

Sign Up for Instant Public Safety Notifications

Gibbsboro Borough is now partnered with Nixle. By simply sending a text message with your zip code to 888777, you are instantly registered to receive text messages from local public safety agencies in your area. Want more control? Create a Nixle account at www.nixle.com and tailor exactly what information you receive and how you want to receive it – via text message, email, mobile application, or web browser.

Unlike social media networks such as Twitter and Facebook, Nixle employs a thorough screening process to verify that every agency joining the Nixle service is authentic. Other security measures such as 2-step login verification help to safeguard agency accounts beyond the level of protection provided by other online services. All of this is done to ensure that the messages you receive from Nixle are genuine and reliable.

Nixle is not only for emergencies. Stay up to date on other information affecting your community including traffic alerts, safety tips, and local crime information with your Nixle account. Messages always include a priority level so you can immediately judge their urgency upon receipt. Nixle also gives you the flexibility to direct messages based on priority so you can receive urgent information via text message and the rest via email.
