SERVICE SHUTOFF MORATORIUM

BE ADVISED that Senate Bill 4081 currently prohibits a local government from shutting off sewer, Water, or electric service to a residential customer, or to accounts primarily serving residential customers, due to nonpayment of water, sewer, or electric charges unless the disconnection is to prevent or ameliorate a risk to public health or safety. This shutoff moratorium remains in effect until March 15, 2022.

The Borough of Gibbsboro does not shut off any utilities.

LATE PAYMENT PENALTY AND LIEN ENFORCEMENT MORATORIUM

BE ADVISED that, until March 15, 2022, Senate Bill 4081 places a moratorium on local governments enforcing late payment charges and penalties on water, sewer, or electric accounts, or referring a delinquent sewer, water, or electric payment to tax sale From January 1, 2022 until March 15, 2022. After March 15,2022, charges and penalties may be imposed for delinquent payments, and any payments remaining delinquent may be referred to a tax lien sale held by the municipal tax collector.

BILL ASSISTANCE AND ARREARAGE FORGIVENESS PROGRAMS

The New Jersey Department of Community Affairs (DCA) is currently developing a Low Income Household Water Assistance Program (LIHWAP). This program is designed to assist water and sewer customers facing economic hardship due to the COVID-19 pandemic. Further information will be provided once the program goes live.

OPPORTUNITY TO REPAY ARREARAGES IN INSTALLMENTS

BE ADVISED that residents experiencing economic hardship during COVID-19 and who are behind

on their Sewer, Water, or Electrical Utility payments may be eligible to enter into an agreement whereby the resident agrees to pay their arrearages in installments over a period of time. As part of the agreement, the resident must keep up to date on all current charges. For more information on repaying arrearages in installments, please contact Kevin Hatch at ctc@gibbsborotownhall.com
