Meeting ID: 836 2150 8203

Passcode: 505745

- If you do not have Zoom on your PC or phone, please download the AP from the appropriate AP or Play Store. The meeting link is also posted on the Borough Web Site and will be added to Facebook Pages.

The Gibbsboro Fire Company will be escorting Santa around town on **Saturday December 19th**. Santa will officially light the town Christmas Tree at **5pm**. The tree lighting will be virtual with details coming soon on how to watch.

We would like for everyone to understand that Santa's visit to town will be different this year due to the pandemic and our commitment keep our firefighters and our community healthy for the holidays.

Santa's entire route can be broadcast with your help via a community-wide Zoom meeting. To participate, please join the meeting before 5 pm. We will broadcast Santa's first stop, at the tree, where Santa will flip the switch to start the tour. As Santa approaches your neighborhood, turn your phone around and capture the scenes for EVERYONE else to see. Be sure to announce your location to help other prepare for Santa's arrival.

Ground Rules:

- We will **not** be giving out candy canes this year.
- Please listen for the sirens to know when Santa is close.
- We will drive down the streets as slowly as possible for Santa to wave to everyone.
- We will **not** drive down dead-end streets. If you live on a dead-end street, please come to the cross street and observe social distancing rules.
- Please do **not** gather in groups with neighbors. We don't want anyone to be sick for the holiday.
- We **cannot** guarantee any specific time for any street. We will cover the entire town as best as possible.
- As always, even Santa knows, the fire company still has responsibilities to respond to emergencies as needed, so please be patient.
