131 Hilliards Rd, Gibbsboro, NJ 08026

## Council authorizes Purchase of Fire Apparatus

The Borough Council has authorized the purchase of a new fire truck that will replace the oldest pumper in the Fire Company. The new truck will provide enhanced capability to deliver water to multi-story structures reach building and facilities that were unreachable with the department's present equipment compliment. The new truck is expected to arrive in August. The cost is nearly \$700K.

## Be a part of the Brick Pathway around the Gibbsboro Community Garden

Actual brick samples are on display at the Gibbsboro Community Garden

located at Pole Hill Park near the Gibbsboro Senior Center

Pricing is as follows:      Individuals: 4 X 8 = \$50    8 X 8 = \$100  
Businesses: 8 X 8 = \$150    12 X 12 = \$300

### Commemorative Brick Sale

Select symbols will be available for \$10 per symbol

Order forms are available at the Gibbsboro Borough Hall OR  
by contacting [gibbsborocommunitygarden@gmail.com](mailto:gibbsborocommunitygarden@gmail.com)

All proceeds benefit the Gibbsboro Community Garden

- Waxed paper or waxed cardboard
- Styrofoam or paper to-go containers
- Organic material and food waste
- Electronic waste (batteries, cell phones, computers, etc.)

**AIM FOR MAXIMIZED RECYCLING**

# Solutions to Stormwater Pollution

## *Easy Things You Can Do Every Day To Protect Our Water*

### **A Guide to Healthy Habits for Cleaner Water**

**P**ollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings. You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

**As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.**

### **Limit your use of fertilizers and pesticides**

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Make sure you properly store or discard any unused portions.

### **Properly use and dispose of hazardous products**

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.

**16<sup>TH</sup> ANNUAL 4<sup>TH</sup> OF JULY ESSAY CONTEST  
OPEN TO BOYS AND GIRLS  
AGES 13 TO 18**

**WINNER OF THE ESSAY CONTEST WILL  
BE ANNOUNCED DURING THE MISS GIBBSBORO PAGEANT AT
