BE IT ORDAINED BY THE BOROUGH COUNCIL OF THE BOROUGH OF GIBBSBORO, IN THE COUNTY OF CAMDEN, NEW JERSEY AS FOLLOWS:

**SECTION I**

The capital budget of the Borough of Gibbsboro conforms to the provisions of this ordinance to the extent of any inconsistency herewith. The resolution in the form promulgated by the Local Finance Board showing full detail of the capital budget and capital program as approved by the Director of the Division of Local Government Service is on file with the Clerk and is available for the public inspection.

For the financing of said improvements or purposes and to meet said \$200,00 appropriation not provided by application hereunder of said down payment of \$10,000, negotiable bonds or notes are hereby authorized to be issued in the principal amount of \$190,000 pursuant to the Local Bond Law of New Jersey. In anticipation of the issuance of said bonds, and to temporarily finance said improvements or purposes, negotiable notes in a principal amount equal to said principal amount of bonds are hereby authorized to be issued pursuant to and within the limitations prescribed by said law.

## SECTION II

(A) The improvement hereby authorized and the purpose for the financing of which said obligations are to be issued is for:

1. \$50,000.00 for purchase of a pick-up truck for the Fire Official.
2. \$150,000.00 for preliminary studies and land acquisition for redevelopment projects.

(B) The estimated maximum amount of bonds or notes to be issued for said purposes is as stated in Section I.

(C) The estimated cost of said purpose is equal to the amount of the appropriation herein made therefor, the excess thereof over the said estimated maximum amount of bonds or notes to be issued therefor being the amount of said down payment for said purposes.

## SECTION III

The following additional matters are hereby determined, declared, recited and stated:

(A) The said purposes described in Section III of this Bond Ordinance are not current expenses and are properties or improvements which the Borough may lawfully acquire or make as a general improvement, and no part of the cost hereof has been or shall be specially assessed on property specially benefited thereby.

(B) The period of usefulness of said purposes within the limitations of said Local Bond Law, according to the reasonable life thereof computed from the date of the said bonds authorized by this Bond Ordinance is fifteen years (15).

(C) The Supplemental Debt Statement required by said Law has been duly made and filed in the office of the Borough Clerk and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey, and such statement shows that the gross debt of the Borough as defined in said Law is increased by the authorization of the bonds and notes provided for in this Bond Ordinance and said obligation authorized will be within all debt limitations prescribed by said Law.

(D) An aggregate amount not exceeding \$20,000 for the items of expense listed in and permitted under Section 40A:2-20 of said Law may be included as part of the cost of said improvement and is included in the foregoing estimate thereof.

**SECTION IV**

The full faith and credit of Gibbsboro Borough are hereby pledged to the punctual payment of the principal and interest on the said obligations authorized by this Bond Ordinance. Said obligations shall be direct, unlimited obligations of the Borough, and the Borough shall be obligated to levy ad valorem taxes upon all of the taxable property within the Borough for payment of said obligations and interest thereon without limitations of rate or amount.

**SECTION V**

The Capital Budget is hereby amended to conform with the provisions of this Ordinance to the extent of any inconsistencies therewith and Resolutions promulgated by the Local Finance Board showing full detail of the amended Capital Budget and Capital Program as provided by the Division of Local Government Services, as on file with the Borough Clerk and is available for public inspection.

**SECTION VI**

The Borough reasonably expects to reimburse itself from proceeds of the obligations authorized by this Ordinance for capital expenditures with respect to the projects initially paid for from current or other available funds of the Borough. This constitutes a declaration of "official intent" within the meaning of Treasury Regulations 1.103-18. The Borough hereby certifies that this declaration is reasonable on the date hereof in that:

- (A) It is consistent with the budgetary and financial circumstances of the Borough,
- (B) No funds (other than the proceeds of the obligations authorized by this Ordinance) are, or are reasonably expected to be, reserved, allocated on a long term basis, or otherwise set aside by the Borough pursuant to its budget and financial policies with respect to the capital expenditures to be reimbursed, and
- (C) The Borough does not have a pattern of failing to reimburse itself for capital expenditures actually paid and for which an official intent was declared, other than due to unforeseeable extraordinary circumstances beyond the Borough's control. The Borough acknowledges that in order to reimburse itself for capital expenditures incurred with respect to the projects, the obligations authorized by this Ordinance must be initially issued not later than one year after the later of the date the relevant capital expenditure is initially paid or the date the relevant capital improvement is placed into service.
