## It's the Law: Curb Your Dog!

Citizens are reminded that failure to clean up after their dog, even in the woods, along roadsides, and parks, is a violation of local ordinance and state law. When walking your dog, you should carry a plastic or paper bag to collect waste and properly dispose of it in the trash. To assist in the campaign, the Borough has purchased and installed a dozen waste stations around town that provide bags and containers. Dogs are also required to be leashed at all times.

Thank you for your cooperation – your neighbors appreciate it!

## Memorial Service for Joseph Hartmann

Friends of former Mayor and retired Eastern High School Athletic Director Joseph Hartmann (pictured right) are invited to gather to remember Mr. Hartmann at the “Coach Joe Hartmann Field” at the Cricket Field at 11 a.m. on Saturday morning July 2. In addition to remembering “Coach” attendees are encouraged to participate in pick up games to honor our former friend, coach, and mentor. Play ball!

## Selling Your Home: Plan Ahead

As part of our effort to maintain the quality of the town's housing stock and ensure that new purchasers are acquiring a safe premises, the Borough requires a Certificate of Continuing Occupancy (CCO), in addition to a smoke detector inspection. All too often sellers wait until the last moment, sometimes just a day or two before settlement, to request inspections only to find a number of issues. Common findings are work done without permits, windows that don't open, and sealed doorways. Sellers are encouraged to apply for a CCO well in advance of settlement or even when listing the property to avoid surprises. Last minute applications are more expensive and often result in the need for multiple re-inspections and additional fees. Be smart – plan ahead!

Trash and  
recyclables will  
be collected  
Wednesday due  
to the  
Independence  
Day Holiday.

2022 SEWER PAYMENTS DUE JULY 1

## Shooting at Freedom Village

At 8:41 a.m., officers of the Gibbsboro Police Department responded to the Freedom Village on Independence Way for the report of a shooting. Upon arrival, officers located a woman who was suffering from a gunshot wound to the left leg and a man who had also been assaulted. The female victim was transported to Virtua Voorhees Hospital where she was treated and released on Tuesday.

Detectives of the Camden County Prosecutor's Office responded to the scene to assist police with the investigation. As a result of the investigation, a Gibbsboro man, Cornell Ingalls, Jr., 22, has been charged with attempted murder, assault and weapons offenses after a shooting occurred during an altercation between two men and a woman on June 14. Ingalls is currently being held at the Camden County Correctional Facility.

All individuals charged with crimes are presumed innocent until proven guilty beyond a reasonable doubt.

## Help First Responders Help You Sign Up for Smart911!

Smart911 is a free nationwide service that allows users to create a Smart911 safety profile, which provides vital information to emergency dispatchers and first responders during an emergency.

Camden County residents are encouraged to create their safety profile with Smart911 to have their information available to dispatchers and to receive emergency notifications. Smart911 is private and secure, is only used for emergency responses, and only made available to the 9-1-1 system in the event of an emergency call.

To sign up go to: <https://www.smart911.com/smart911/registration/registrationLanding.action>.

## Be in the Know – Sign Up for Nixle!

Residents can now receive important, official information directly from through Nixle. Messages will be delivered by email, SMS text message, and over the web.

Information can be received online and through email. Residents can receive messages by phone as part of their text messaging plan- otherwise standard text message rates apply. The system is simple to use and provides an easy sign-up process. Register now and learn more at [www.nixle.com/](http://www.nixle.com/).

## Sign up to receive emergency alerts and severe weather warnings that could directly impact you and your family

Camden County Emergency Management (OEM) is using CivicReady to keep Camden County residents informed during fires, outages, floods, hurricanes, evacuations, road closures and other emergency events. CivicReady will allow the quick alert of citizens via voice, text, email and CAP/IPAWS.

This system, combined with our other emergency alert methods, is designed to get emergency messages to you, the public, quickly and effectively. This does not preclude you from calling 911 if you need emergency information; it simply provides an opportunity for us to disseminate critical information to you if and when the need arises.

The system is intended to be used for emergency alerts, as well as non-emergency incidents that may have significant impacts to residents. Emergency Alerts could be related to specific hazards that require some kind of action be taken such as evacuation, shelter in place, boil water orders, etc. Non-emergency alerts could include significant transportation problems with prolonged impacts or significant ongoing police or fire activity. This list is not meant to be all inclusive, and demonstrates that this system will not be used for routine information. In addition to receiving information on your wireless device, you may also receive notification on your land telephone line (if you have one) depending on the type of incident or event.

These alerts are provided free of charge, however standard text messaging rates and other charges may apply. If you wish to subscribe to SMS text messages only, text your zip code to 38276. There is also a mobile app available. To sign up please visit the following site:
