

## GIBBSBORO POLICE DEPARTMENT BODY WORN CAMERAS

The Gibbsboro Police Department is proud to announce the utilization of body worn cameras (BWC) for its Officers.

The Gibbsboro Police Department prides itself on our transparency. Department members believe that the use of these cameras will significantly benefit both the community and our officers. Officers will be able to document their point of view more accurately by reviewing the incidents for details rather than relying solely on memory recall.

Officers will be wearing the “AXON Body 3” body camera which is an ultra-durable on-officer camera designed to balance both simplicity and performance. The video will upload to a cloud-based storage and management system, where it can be easily accessed for review. An end-user cannot tamper with video files stored online or on the AXON Body 3 camera.
